April:

Anatomy of a Dressage Test

One Day - 4/18 Morning 9:30 - 12:30

What happens when that judge rings her bell? The magic happens! This morning of Dressage tests will give the participants a perspective of what questions are being asked in a Dressage "test". What are the differences in the levels? What are USDF, RMDS, USEF ? What level should I train for and what level would I be happy and relaxed showing? How do you get that pesky circle into the middle of the ring AND keep it round?? We will answer these questions and more. Each participant will pick at least one test to concentrate on, but we will explore the "questions" that are specific to the Levels and universal for all tests. Cost**: \$75 (Own Horse Discount Price -OHD): \$60

June: Eye/Hoof Coordination

One Day - 6/20 Morning 9:30 - 12:30

How many horse reasons can you think of for your horse picking up his feet to not step on poles? A lot! Right? They do not trip! The gymnastics of regularly placed our naturally rhythmic partners to develop partnership. They love patterns and can clear accuracy! In this fun filled morning, we cavaletti to give our horses "horse" reasons and remembering where to put them back amazing creatures! We (the humans) will learn natural rhythm to create balance and relaxation

want to fall down or poles and cavaletti help the muscles and trust of remember them with will use poles and for picking up their feet down. Horses are to listen to our horse's . Cost**: \$75 (OHD \$60)

July:

Fitness Fun (for Horse & Rider)

Equilightness (Yoga and Horse related body awareness and balance)

One Day - 7/18 Morning (9:00 - 12:00)

Riding Fit? In this morning of peace and balance, we will spend an hour with Eliza Loovis, a professional Yoga instructor, to look at our bodies as our horse looks at them (oh dear - only from the point of view of balance and strength) She will look at each participant's balance

and develop a strengthening program that will help each rider. Then we will talk about fitness of the horse and how different disciplines require different fitness emphases. We will look at conformational clues and sweat patterns in relation to fitness development. Finally, we will try work programs on our horses and test their fitness as a base line for program development. Cost**: \$85 (OHD \$75)

All Summer Long!

Red Horse Society!

Mornings 10:00 - 12:00

Once a month, those dashing darlings of stage and screen get together to develop, practice and laugh their way through variations of Quadrilles with 3 - 6 horses all dancing at the same time!! Wahooo! We also will studiously look at different Dressage principles that relate to our routines (and not running into each other)! Cost**: \$40 (OHD \$35)

Dates: 5/2,6/6,7/28,8/22,9/12
